

Acknowledgement of Risk, Release of Liability and Waiver of Claims

* Please note that by signing this agreement you give up the right to sue for any injury or damages, however caused.

Paddling activities definition will encompass pool, lake water, river (moving water, white water, rapid running, etc.), ocean and/or sea activities and volunteer and client activities associated with trips, courses, events, travel, training sessions and any involvement with facility maintenance.

The following waiver of all claims, release from all liability, assumption of all risks and other terms of this agreement are entered by me ("the Participant") with and for the benefit of Fundy Paddlers Club Inc ("FPC"), its directors, officers, volunteers, coaches, officials, trainers, guides, and representatives.

1. I hereby acknowledge this agreement on behalf of myself, my personal representatives, my estate, my heirs and my assigns; as a precondition to my participation in paddling activities and any other activities related to FPC.
2. I am aware of inherent and significant risks ("RISKS") associated with the participation in paddling activities. I am aware that those Risks include but are not limited to the potential for serious personal injury caused by any event or any condition of the facility or equipment. I understand these Risks are relative to my own state of fitness and health and to the awareness, care and skill with which I conduct myself while participating in paddling activities.
3. I freely accept and fully assume all responsibility for all Risks and possibilities of personal injury, death, property damage, or loss resulting from my participation in paddling activities. I agree that although FPC has taken steps to reduce the Risks and increase safety of the paddling activities, it is not possible to make the paddling activities completely safe. I accept these Risks and agree to the terms of this waiver even if FPC is found to be negligent or in breach of any duty of care or any obligation to me in my participation in paddling activities.
4. I certify that I am physically capable and fit to participate in paddling activities, and I have no medical condition or needs other than reported to the FPC, and its activity officers.
5. If I should leave an activity before its completion or depart from the group during the activity, I am personally responsible for my decision and assume all risks inherent with my decision.
6. I confirm that I am 18 years or older, and have read and understand this agreement, and have agreed to the terms freely and voluntarily. I understand that this waiver is binding on myself and my Legal Representatives. If I am the parent or guardian of the participant, I have read, understand and execute this agreement on behalf of my child/ward.
